Our Journey

ArtaşPack is the largest manufacturer of cardboard tube and custom rigid boxes in Türkiye. Our extensive 35 years of industry expertise has positioned us as a reliable partner for hundreds of companies both domestically and across more than 20 countries. Continually striving for excellence, our dedicated and dynamic team operates within our spacious 6,000m² production facility, with 4,500m² designated as enclosed space. We have meticulously designed our production facility based on effectiveness principle, emerging as a company capable of managing all operations internally. At Artaşpack, we are dedicated to crafting packaging that is nearly 100% recyclable and we prioritize sourcing our raw materials from recycled paper, reflecting our commitment to sustainability.

Eco-friendly

Opting for environmentally friendly packaging isn't solely a marketing tool; it's a commitment to a sustainable future. Embrace eco-friendly choices for your business and for the planet's well-being.

Artaş Worldwide

Our products reach over 20 countries primarily across Europe, spanning diverse sectors and segments.

Artaş Türkiye

We partner with Türkiye's leading and most esteemed companies, setting the standard for excellence in our industry.

Benefits of Working With Us

Based in Istanbul

Located in Europe, Istanbul is closer than you realize, ensuring shorter delivery times compared to other parts of the world. Feel free to visit us anytime.

Leading Manufacturer

As the Türkiye's largest producer of cardboard cylinder tubes and a leader in luxury rigid boxes, we proudly collaborate with Europe's most prestigious and largest companies, industry leaders.

Fast Production, Swift Delivery!

Our dedicated team responds to your inquiries within 24 hours. With a production capacity of 35,000 cardboard tubes and 15,000 luxury rigid boxes per day, coupled with our strategic location, we ensure your orders are fulfilled and delivered promptly. Istanbul is closer than you realize.

Timeless Connectivity

Without time zones to hinder communication, our team of experts can promptly address your questions and concerns.

R&D

Our in-house R&D department fulfills our needs, ensuring your peace of mind. Rest assured, our track record speaks for itself.

Craftsmanship

The intricate details on the box, like the embossing showcased here, embody the brand's character, forging a distinct identity and evoking a luxurious appeal.

Tailor-made

For premium, bespoke boxes, you need a manufacturer that excels in every detail. We treat each box with meticulous care and attention.

Partners
